Cookie Policy for Sheriff Lodge

Last updated 21st June 2018

This website uses cookies to improve the user's experience while visiting the website.

To comply with the Privacy and Electronic Communications Regulations we periodically conduct a Cookie Audit of our website.

Cookies are small files saved to the user's computer hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computer's hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors.

This website uses tracking software to monitor its visitors to better understand how they use it. This software is provided by Google Analytics which uses cookies to track visitor usage. The software will save a cookie to your computer's hard drive in order to track and monitor your engagement and usage of the website but will not store, save or collect personal information. You can read Google's privacy policy here for further information: **Google Privacy Terms**

Other cookies may be stored to your computer's hard drive by external vendors when this website uses referral programs, sponsored links or adverts. Such cookies are used for conversion and referral tracking and typically expire after 30 days, though some may take longer. No personal information is stored, saved or collected.

How to manage, control and delete cookies

You may block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) it may limit your use of certain features or functions on our website or service. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies as soon as you visit our site. Please note, as further described in our Privacy Policy, we currently do not alter our practices when we receive a "Do Not Track" signal from a visitor's browser.

Internet browsers allow you to change your cookie settings. These settings are usually found in the 'options' or 'preferences' menu of your internet browser. In order to understand these settings, the following links may be helpful. Otherwise you should use the 'Help' option in your internet browser for more details.
